### Weekly No Fixed Term Contract

- This contract is a pay weekly option with no fixed term.
- Two weeks' notice is required to cancel the contract.
- Contract is automatically paused for three weeks over end of year closure.
- Contracts can be paused and resumed once per year, subject to class availability upon return.
- Highschool aged students can opt for a two week contract pause during school holidays as youth classes will not operate during school holidays. Management must be provided with 3 days' notice or preferably more than 2 weeks' notice to arrange this. Otherwise youth students can book into adult classes during school holidays.
- This scheduling system is to make sure that students attending their regular class each week have preference, while enabling people with irregular schedules such as shift workers the flexibility to have flexi scheduling.
- Our class cancellation policy still applies for contracts. You will find this under 'Schedule' in your Mindbody profile.
- We encourage students to attend a regular weekly class where possible. Due to the nature of Pole & Aerial arts, consistency is highly beneficial.

### 3, 6 & 12 month contract T&C's

- These contracts are a pay weekly option on a fixed term basis.
- The three or six month contract will automatically renew at the same weekly price for the same fixed term unless the student notifies management. Two weeks or more notice is preferred but a minimum 3 days notice is required to alter contract term renewal.
- If you require cancellation of your contract, management must be notified two weeks' notice prior to the end of the contract term (i.e. end of 3, 6 or 12 months).
- Contract is automatically paused for three weeks over end of year closure.
- Contracts can be paused and resumed once per year, subject to class availability upon return.
- The 12 month contract was a special for our loyal clients and is only available for the duration of 2023. This contract will not renew at the end of 2023. These clients will need to arrange a new contract at the end of 2023.
- Our class cancellation policy still applies for contracts. You will find this under 'Schedule' in your Mindbody profile.
- Students who wish to have greater flexibility can book up to seven days before any scheduled class.
- We offer forwards booking to students who have shown dedication to their chosen class. This will guarantee the student's place in their regular class each week. In this case, the option to "early cancel" (6 hours or more prior) and redeem their class within 30 days is

available for the student to self-manage on the Mindbody booking system. This offer is intended to be utilized on average once per month.

- A \$200 fee applies for early cancellation of any contract.
- This cancellation fee is waived in good faith in extenuating circumstances such as relocation out of Auckland or for medical reasons such as pregnancy.
